Parents / Carers

Atherstone Adders Hockey Club expects all parents and carers to:

In general:

- Encourage your child to learn the rules and play within them.
- Discourage unfair play and arguing with officials.
- Help your child to recognise good performance, not just results.
- Never force your child to take part in sport.
- Set a good example by recognising fair play and applauding the good performances of all.
- Never punish or belittle a child for losing or making mistakes.
- Publicly accept officials' judgements.
- Support your child's involvement and help them to enjoy their sport.
- Use correct and proper language at all times.
- Parents should report incidents to the Junior Manager, a Senior Coach or member of the Committee as soon as possible.

In particular:

- Arrive in good time for the commencement of the session; check that supervision is present and that the activity is going to take place before leaving your child. He/she must not be brought early to a session or allowed to play or roam unsupervised
- Ensure your child is properly attired and has extra clothing on cold winter evenings which should include tracksuit bottoms or similar. A plastic water bottle containing water or non-fizzy drink should also be provided to prevent dehydration during the activity.
- Shin pads are mandatory; mouth guards are highly desirable and mandatory for mini hockey.
- Parents/carers are expected to be on time to collect children following club activities – due allowances must be made for traffic conditions prevailing at the time

At times of inclement weather it is the parents/carers responsibility to decide whether their child should attend a particular planned activity. The club reserves the right to cut short or cancel any activity without notice where danger is likely to arise, for example in the case of a freezing or frozen playing surface
