

## **Introduction**

This documentation is intended to highlight the commitment of Atherstone Adders Hockey Club to ensure that all playing sides look the part and give a good impression of the Club on the field of play.

## **Playing Kit**

### **Senior Members**

All members of Atherstone Adders Hockey Club are expected to wear the following Club kit:

- The First Team Ladies and First Team Men will only wear Samurai branded track suits, shirts, skorts or shorts and socks during all home and away matches. Any other kit will not be allowed, as it will jeopardise our contractual arrangements with Samurai.
- All other players will wear the shirt provided by the Club during all hockey matches
- All players will wear Club shorts or skorts where available
- Where Club shorts/skorts are not available players must wear black shorts/skorts
- All players will wear Club socks on match days. Red/Black for home matches. White/Red for away matches
- Unless otherwise agreed with the Team Captain, all Players will return their playing shirts at the end of every game for washing and they are expected to take turns in washing the team shirts.
- No shirts should be taken home by players at the end of the game, unless there is a separate arrangement with your team Captain.
- Any kit loaned to players by the Club must be returned when the player stops playing or leaves the Club.
- Any loaned kit not returned or lost/damaged must be paid for.

Any Club kit remains the property of the Club and shall not be retained by players unless they have permission to do so. All Club property must be returned to the Club at the end of every season and must be handed back to the Team Captain by a player who chooses to leave the Club. Any Player Transfer documents will not be completed by the Club unless all kit is returned or replacements are paid for.

### **Junior Members**

All Junior members of Atherstone Adders Hockey Club are expected to wear the following Club kit:

When playing in Junior matches:

- Approved Club team shirts
- Black shorts
- Adders socks

Additionally, all players shall ensure that they have appropriate footwear.

Shin-pads and gumshields are compulsory and hand guards/gloves are highly recommended.
